Physician-Patient Arbitration Agreement -The Dermatology Specialists

Article 1: Agreement to Arbitrate: It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered, will be determined by submission to arbitration as provided by New York law, and not by a lawsuit or resort to court process except as New York law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional rights to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

Article 2: All Claims Must be Arbitrated: It is the intention of the parties that this agreement bind all parties whose claims may arise out of or relate to the treatment or service provided by the physician including spouse, or heirs of the patient and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. In the case of any pregnant mother, the term "patient" herein shall mean both the mother and the mother's expected child or children.

Article 3: Procedures and Applicable Law: A demand for arbitration must be communicated in writing to all parties. A neutral arbitrator shall be selected by the American Arbitration Association (MA) within thirty days of a demand for a neutral arbitrator by either party. Commercial arbitration rules shall apply AND neutral arbitrator shall rule within 120 days of appointment. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator, together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees or witness fees, or other expenses incurred by a party for such party's own benefit. The parties agree that the AAA has the immunity of a judicial officer from civil liability when acting in the capacity of arbitrator under this contract. This immunity shall supplement, not supplant, any other applicable statutory or common law.

Either party shall have the absolute right to arbitrate separately the issues of liability and damages upon written request to the neutral arbitrator.

The parties consent to the intervention and joinder in this arbitration of any person or entity which would otherwise be a proper additional party in a court action, and upon such intervention and joinder any existing court action against such additional person or entity shall be stayed pending arbitration.

The parties agree that provisions of New York law applicable to health care providers shall apply to disputes within this arbitration agreement and only document discovery shall be permitted. Any party may bring before the arbitrators a motion for summary judgment or summary adjudication in accordance with the Code of Civil Procedure.

Article 4: General Provisions: All claims based upon the same incident, transaction or related circumstances shall be arbitrated in one proceeding. A claim shall be waived and forever barred if (1) on the date of notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable New York statute of limitations, or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence. With respect to any matter not herein expressly provided for, the arbitrators shall be governed by the New York Code of Civil Procedure provisions relating to this arbitration.

Article 5: Revocation: This agreement may be revoked by written notice delivered to the physician within 30 days of signature. It is the intent of this agreement to apply to all medical services rendered at any time for any condition.

Article 6: Retroactive Effect: Patient intends this agreement to cover services rendered before the date it is signed (including, but not limited to, emergency treatment) effective as of the date of first medical services.

If any provision of this arbitration agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision. I understand that I have the right to receive the copy of this arbitration agreement. **NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE ONE OF THIS CONTRACT.**

Patient Acknowledgment of The Dermatology Specialists Office Policies

To be completed by ALL PATIENTS. If the patient is under the age of 18, this form is to be filled out by his/her PARENT or GUARDIAN. Please read each item below and initial the space provided.

A. Insurance Information/ Co-payments and Deductibles

Payment is required for all services at the time they are rendered. If this office accepts my insurance, I understand that I am still responsible for paying any co-payment and deductibles that my insurance does not cover. I understand that regardless of insurance enrollment, I am ultimately responsible for all costs of dermatologic treatment rendered. Checks returned for insufficient funds will be charged an additional \$50 fee. Your signature below signifies your understanding and willingness to comply with this policy.

B. Referral Information

If a referral is required by my health insurance plan, I understand that it is my responsibility to obtain the referral from my Primary Care Provider and assure it is available to be presented at the time of my visit. I further understand it is my responsibility to keep track of the number of visits I have used on my referral and the expiration date of my referrals and obtain new ones as needed. I understand that any specialty treatments requiring pre-authorization are also ultimately the responsibility of the patient. I understand that should I fail to present a valid referral, I may be responsible for any charges pursuant to specialist treatment.

C. Insurance Cards

New patients or those patients who change insurance plans must provide a valid insurance card at the time of the visit. Should you be unable to produce this documentation, patients may pay in full at the time of service and submit the claim to your insurance carrier for reimbursement. I understand that I am responsible for notifying the office of any changes to my insurance or contact information.

D. Cancellation Policy

Should you be unable to keep your appointment, please contact our office. Failure to contact the office within 24 hours of your appointment could result in a \$25.00 (general appointments)/ \$250.00 (surgical appointments) cancellation fee.

E. Statement of Financial Responsibilities

As a courtesy to our patients, our office will bill private insurance for office visits and surgical procedures. Cosmetic procedures are not covered by insurance and the cosmetic fee is the responsibility of the patient. Any surgery done for medically necessary reasons will be billed separately to your insurance. A statement will be sent out explaining the status of your account, and follow statements may reflect any remaining balance. Since the financial responsibility always resides with the patient, we want to keep you informed. For example: if your insurance has not paid within 30 days you may wish to call them directly to confirm payment within 60 days. After 60 days we may no longer pursue your insurance company, but you the patient, for the payment.

F. Credit Card Usage

By using a credit card to pay for medical services, you may be forfeiting certain protections that are provided by state and federal laws specifically designed to address medical debt. These protections could include special considerations for payment plans, interest rates, or other benefits that may not apply when using credit cards as a payment method.

G. Consent to Contact

By providing my mailing address, telephone number and/or email address to The Dermatology Specialists on the Patient Registration form (page 1), I agree to receive mailed materials, telephone calls, voicemails, emails, and/or text messages related to my health care (such as test results, appointment reminders, prescription information, and billing matters) from The Dermatology Specialists, or its service providers, including through the use of automated dialing systems, pre-recorded messages, automated text messaging systems, or other methods as deemed appropriate by The Dermatology Specialists.
